Match vs:	Edithvale Aspendale White	Round:	5
------------------	------------------------------	---------------	---

Match Report

Playing against EDI ASP the team started off really well with some great bumps and terrific chases and competed for the entire first quarter against the best opposition we have played this year. Unfortunately we were not rewarded on the score board but the team defended terrifically well.

The second quarter we continued to defend really well with Ben getting plenty of the football playing his best game this season. We welcomed Mark in for his first game and he got plenty of it and he was terrific as the team continued to compete really well.

The third quarter saw us run and carry the footy and get plenty of forward entries capped off by a couple of great running goals by Levi. We had a good even spread of players that played well with Balin and Luke taking plenty of marks in the last quarter as the guys tried right to the final siren.

A great effort against a very good Edithvale under 10's.
