Match Report

Round 6 versus Seaford saw us take on a big strong side in the Seaford Football Club and in the first quarter kicking against the wind the boys defended really well considering how much time the ball spent in their forward line only allowing one goal and having a couple of shots on goal ourselves.

The second quarter Seaford got plenty of centre clearances but again we defended well and after a few forward entries Balin was able to kick a great running goal from a tough angle – we had plenty of opportunities but weren't able to capitalise on the score board as Seaford were able to kick a couple of goals against the wind.

Third quarter Seaford dominated out of the centre but again our back line held up and Hunter was able to kick a great goal out of a pack in the goal square.

Start of the fourth saw a few sore and sorry boys after a couple of big bumps, full credit to them though we bounced back and continued to pressure Seaford with Tyler and Levi both kicking great goals.

Luke Dagostino was terrific in his best game for the footy club as was Billy getting plenty of the football. Stick together guys as improvement seen every week but still lots we need to work on – enjoy the week off before we get back into it again.
