Match Report

Our first away game versus Bonbeach and Bella got us off to a flyer with some terrific run and carry out of the back line. Dean Kolek played the best football of his career taking mark after mark and kicking the ball long. Balin started forward and delivered with a great running goal. Levi continued his form from the previous week continually getting the footy and running and kicking long.

Max got himself into the game with a terrific quarter of football taking three consecutive marks and sharing the footy with his team mates. Dean Sheridan gave us some run and Luke Styles was terrific with his pressure and bumping.

Hunter continually put his head over the footy giving us lots of clearances and as we changed the side around Coleman finished the game strongly in the back line as Luke Dagostino got involved with a great mark and kick. The side was captained very well by Ben Betros.

Great effort from everyone keep up the hard work.
