Match Report

Home game in sunny dry conditions Pines were four players short but we had four kids that volunteered to make up the numbers and the four kids that played in the first quarter and second quarter did a wonderful job with Alex Boyce even scoring a goal.

Our first quarter the boys were terrific with everybody getting involved in sharing the football around and after four or five attempts at goal Balin and Hunter were able to capitalize with the first goals of the game.

Second quarter saw Langwarrin play their best quarter of footy for the season with some really good passing, running and carrying the football. We were able to kick an incredible seven goals for the quarter with Balin and Luke kicking 3 each and Hunter kicking another goal.

The third quarter we got a little bit ahead of ourselves and the kids drifted away from playing their positions in a very scrappy third quarter with Pines lifting their defence and pressuring us for the entire quarter and actually outscoring us.

The fourth quarter the kids lifted the tempo and were able to get several centre clearances and after Mark kicking a great goal the ball spent most of the time in our forward fifty but unfortunately we only managed 5 consecutive points but the backline did a wonderful job in keeping Pines goalless for the quarter.

A terrific team effort – well done team.
