<b>Match vs:</b>	Frankston YCW	<b>Round:</b>	9
------------------	---------------	---------------	---

### Match Report

Playing at YCW on the senior oval the kids appeared daunted by the size of it and were really flat in the first 10mins before we settled and began to be first to the ball more often and after several forward entries we were rewarded with two goals from Levi – one of them a very difficult kick from the pocket.

Second quarter saw a much better start as the kids played their positions and looked for each other all around the ground. A really solid quarter with great goals from Balin, Charlie and Brody and Callum continued his great form from the first quarter.

The third quarter and kicking into a slight breeze Tyler and Hunter were able to get goals in a really even quarter of footy where the footy went from end to end in a tight tussle.

The fourth quarter Bella in her best game of the season was able to finish it off with a great goal and Charlie continued to hit the scoreboard with a wonderful goal.

A terrific game considering our slow start with everybody contributing to a terrific result – enjoy the week off.
