Match Report

Versus Mt Eliza in perfect sunny conditions on their senior oval we came up against a very strong Mt Eliza U10's and 10mins in looked like we might be in for a long and difficult day after Mt Eliza kicked the first four goals. Credit to our team everyone continued to try their heart out and were able to stop the flow of goals and have several forward entries ourselves.

Second quarter we started off great defending really well with everybody sharing the footy around and hitting targets with some great foot skills before we were awarded with our first goal from Max. The team continued to push forward and rallied to get another goal in a much better quarter of football.

The second half we were able to continue with our pressure but unfortunately weren't able to convert despite several very close attempts from Dean Sheridan who played a great quarter.

The final quarter saw Bella rewarded with a great goal after playing some really good football earlier in the game and again we had several shots on goal and the ball spent plenty of time in our forward fifty. Throughout the game Balin and Luke rebounded out of the backline and Levi and Brody won heaps of the ball through the middle and half forward. Max took plenty of marks and Cooper copped a big knock to the head but managed to bounce up and he will be fine.

Terrific team effort against quality opposition with much improvement shown every week, looking good for the future.

Well done boys and Bella.
