<b>Match vs:</b>	Bonbeach YCW Black	<b>Round:</b>	11
------------------	-----------------------	---------------	----

### Match Report

At home at Langy in sunny conditions the complete opposite to last week the kids got off to a very slow start and allowed Bonbeach YCW to jump us kicking the first four goals before we steadied and Balin was able to kick our first score – a great goal.

Second quarter the kids woke up and played much better team orientated football with Charlie, Balin and Mark all kicking terrific hard earned goals with Balin's snap over his shoulder under pressure one of the better goals we have seen this year as we outscored Bonbeach in a great turn around.

The third quarter saw a really even start with the footy rebounding from end to end before Bonbeach were able to score a couple of goals in which Tyler answered with a great hard earned goal of his own.

Fourth quarter with the scores almost level we got off to a good start with great goals to Balin and Alex before Bonbeach were able to steady and kick some great goals themselves.

Bonbeach were very accurate in front of goals and we kicked quite a few points that turned out to be costly. Some really good patches of footy but need to be more consistent over four quarters. Great fourth quarter effort from Charlie, Balin and Luke Styles with everyone else contributing at some stage during the game.
