Match vs:	Devon Meadows	Round:	10
------------------	---------------	---------------	----

Match Report

Away versus Devon Meadows in freezing wintery conditions we were able to defend the first 5-10mins of Devon Meadows having the footy in their forward line for that entire time. With our first forward entry Luke Styles was able to kick a great running goal and Max backed it up with another goal almost a minute later.

The second quarter in torrential rain saw Balin and Levi both kick great goals as we completely dominated the quarter playing some great team football.

Third quarter saw the great footy continue with Max taking mark after mark and giving us plenty of run before Levi and Mark were able to kick a couple of great goals.

Fourth quarter the rain continuing to pour again we were able to control the play and have plenty of the football before Charlie got his first of two goals of the fourth quarter. Cooper received a hand ball from Charlie to kick his first goal of 2015 for Langy blue.

A great game with everyone contributing as we played some of our best footy for the season. Well done to all the kids for persisting in the cold and rain and playing some great team footy.

Well done to Devon Meadows who played the game in great spirits.
