Match Report

Another beautiful day for football, the ground was a bit wet after some rain the night before but still pretty good conditions. We were told that we had to move to the smaller oval which was disappointing.

The boys started well with Kaden & Dexter kicking the first couple of goals of the game. The dolphins were taking it up to us and had a good spread of talent. Unfortunately Max dislocated his finger in the first quarter and had to go to hospital to have it put back in. This affected our rotations for the rest of the game. H was enjoying playing forward and had kicked 4 goals before half time.

The whole team once again contributed to this win, the players were putting pressure on in all areas of the ground and really focusing on our tackling target of 10 tackles per quarter, we finished the game with 40 tackles which is what we want as a group.

The final scores were Langwarrin 9-8-62 defeated Frankston Dolphins 4-8-32.
