Match Report

It was another beautiful day for football with bright sunshine and no wind. Today we played Carrum Pat who had only won the one game so far this season so I was concerned that the boys would be a little complacent against the bottom side. It was great to see Cailean run through the banner for his 50th game for LJFC.

We started as I thought we might, second to the ball with no intensity. At quarter time we were behind on the scoreboard. The quarter time address was all about our lack of effort and intensity. To my pleasure the boys responded and we kicked away in the 2nd term. Kai was brilliant kicking 3 goals for the quarter which set us on our way. By half time we were well in front. The 3rd quarter saw us stretch our lead; Max, Nick, H and Lachie Jenson had the ball on a string continually driving the ball into our forward line. Lachie J finished with 3 goals and H kicked 2 for the quarter. By 3 quarter time we had taken total control of the game.

In the last quarter it was more of the same with the team piling on the goals, Cailean in his 50th game ended up kicking 3 goals which was a great contribution in this milestone game. Rylan was also a good contributor on the scoreboard kicking 2 goals for the game.

In another strong team effort we had a good win.

The final scores were Langwarrin 12-7-79 defeated Carrum Patterson Lakes 3-1-19.
