End of Season 2025

## Langwarrin Junior Football Club

*From the Prez - Brad McNeilage*

It's been a brilliant year for our footy club, with huge successes both on and off the field. It's thanks to all our club legends that we can provide what our club and community needs to thrive.

Thanks so much to everyone, I can only hope we continue on our journey and have each and every one of you return in '26' and continue the awesome work.

We have lots of exciting things to follow up on at a committee and exec level and some great new ideas to improve our club, culture and experience for everyone to enjoy, we still have so much to learn. Get amongst it and come and be part of the conversations.

A super special thanks to our incredible Treasurer Kellie Absolom, our current longest standing committee member (who is finishing up at the AGM), tough as nails and as soft as butter at the same time. We could not have asked for anything more from this beautiful human, thanks for your time in the executive group, but of course we still look forward to seeing lots of you again in 2026. Thanks Kell!

As mentioned 100 times in our awards presentations, enjoy the break! Footy can be long and arduous, super fun and super exhausting at the same time. Enjoy the summer and let's all return to season 2026 full of excitement for the season ahead. Until then, thank you all so much for your ongoing support.

# THANK YOU

We want to extend our heartfelt appreciation to the incredible clubs that have generously donated football boots to students requiring support. By ensuring that every aspiring athlete has the chance to lace up a pair of boots, you're not just supporting their love for the game, but also nurturing their dreams and potential. Your kindness paves the way for a more inclusive and equitable playing field, reminding us all of the profound impact that collective goodwill can have. Thank you for stepping up and making a difference in the lives of young athletes in the Northern Territory.

Thank you, Langwarrin Junior Football Club, East Brighton Vampires Junior Football Club, and all of the wonderful families who so generously donated.

A very special thank you to Erica from Gardening 4 Kids for co-ordinating the donations.

Thank you to everyone who donated their old footy boots to the club at the start of the year.

Thank you to our friends at The Butchers of Gateway for supporting our awards night meat tray raffles all season. Pop in and see the team at Gateway for your next BBQ or family meal.
