Grand Final Week 2025

Langwarrin Junior Football Club

From the Prez - Brad McNeilage

LET'S GO LANGY!!

What an incredible achievement to have 11 sides making it to the final game of the junior season. A true testament to the hard work from everyone involved getting our players to where they need to be. A massive shout out to our footy department led by the dynamic duo of Sammy Watson and Ellie Dash. You have been instrumental in helping our coaches and players reach the heights they have striving for all season.

From their very first kicks of preseason to their very last kicks in the final quarter this Sunday we as a club haven't stopped, haven't taken a backward step, collectively supporting and driving our kids to be the best they can be. As an executive group, we could not possibly be prouder of everyone that has been there for us to take our club to new heights.

Now let's see if we can take our opportunities and make some special memories. Win or Lose we will come in our masses and cheer the loudest we can cheer. Let's show our full support and bring home some silverware!!
