Round 11 - July 2025

## Langwarrin Junior Football Club

*From the Prez - Brad McNeilage*

Hoping everyone has had a wonderful break from junior footy over these school holidays and are now ready to steam home strong to the end of the season.

It's been amazing seeing all of our milestone players over the previous rounds, we have so many more coming up too so let's all get around these Langy legends and celebrate all these great achievements.

With only 4 home and away games left it's time to build on everything we've worked so hard to achieve to date and make the most of our opportunities. Whether it's pushing for finals, achieving our team goals or simply searching for that elusive first win, let's all dig deep and drive home that awesome Langy spirit in these last few rounds.

GO LANGY!! ❤️

Well done to the U10 Mixed White team who recently had their first win of the season.

They may need some practice with remembering the song, but they had a great time belting this one out!

How do you spell it? L-A-N-G-W-A-R-R-I-N!

# KANGA NOOS

Round 11 - July 2025

## Get to Know - Sam Watson

**As Boys Football Manager, what have you enjoyed most about 2025?**

Building relationships with our ever-expanding club. Watching teams gel together throughout pre-season squad training, supporting all our coaches and helping develop our young players through each season.

**How long have you been involved at Langy JFC for? Which teams have you coached over your journey? What other involvement have you had with the club?** Started playing at Langy 1987 in our only U10s as a 6 year old – haven't really left, gee things have changed. Have coached our u18s to a flag and Reserves teams. Have been on committees senior/junior for two decades – Senior club President 2011-2014.

**What do you enjoy most about being part of Langy JFC?** Watching and supporting the tradition continue. Listening to the team song (chant really) that my Dad, me and now my two boys sing never gets old.

**What is your history in Langwarrin?** Lived here my whole life, Dad played for Langy as a kid also he played seniors in #28 – so did I (juniors & seniors) – now both my kids play juniors in that number – makes me smile. Went to Langwarrin PS then Peninsula Grammar. Played all my junior footy at Langy until we couldn't field an U15s & U16s – it should remain a secret but played for Mt.Eliza those seasons (close to school) until returning straight away to play seniors for Langy.

**Finally, if you could have one lesson that the players you've coached take away from their time with you, what would it be?** Understand the importance of playing your role in the team over individual aspiration. Big wins as a team and premierships are way more fun than any best & fairest or individual pat on the back.

**What's your official coaching style: tactical genius, sideline yeller, or vibes-based management?** Enjoying the game and the people around you is fundamental. Good coaches create this atmosphere. Tactics always change and I don't really feel anyone becomes a genius at this (particularly Simon Goodwin ) Not a fan of sideline yellors – not sure what it achieves.

**Favourite AFL team?** Somewhat unmighty Melbourne FC

**Favourite AFL player current day / all time?** Current Max Gawn / Past Stephen Tingay

**What do you do when you're not coaching?** Outside of school footy as a secondary P.E. teacher, not really coaching at the moment – just trying to finish our new house build and following instructions from the wife

**Last concert you went to?** Golden Plains & Meredith Music Festival in Meredith VIC – have been going for 15 years straight

**If you could only eat one food for 24 hours, what would it be?** Seafood

**Pineapple on a pizza – yay or nay?** Definite NO

**Do you have a recommendation to share?** Point Leo Estate

**You're given a free return ticket to fly somewhere for a holiday, where are you going?** Europe

**Do you have any pets?** I have had everything from dogs, cows, sheep, chickens and even an alpaca – but nothing at the moment – enjoying an empty paddock and one less responsibility.

# KANGA NOOS

Round 11 - July 2025

## *Whoops!*

Which Langy team's boundary umpire forgot they were rostered on so had to run the boundary in their ugg boots recently?

## We love to see it!

It's been a tough year of injuries across the club but we loved hearing this story.

Recently the U10 Blues had a great win by 60 points over their opposition but it wasn't the win that had the parents emotional.

When Hudson finally got to return to the field after breaking his arm in Round 2, he topped off the perfect return by kicking a goal. Every Langy player across the field ran to celebrate with him making sure he felt welcomed back in style. That's the Langy way!

## Team work makes the dream work!

Shout out to all the players across the Club who have been filling in for older age groups this year. With school holidays, injuries and sickness season upon us, lot's of players have been called upon to step up into older age groups to make up the numbers.

The U16 Girls Blue team recently had 3 of their players fill in for the U18s. The girls had a great match with one of them even kicking a goal!

Our U10 Girls Coaches supporting Bella's Round at Mt Eliza recently wearing a touch of yellow 🟡
