

LANGWARRIN JUNIOR FOOTBALL CLUB

KANGA NOOS

Round 3 - 2026

FROM THE VICE PREZ FOOTBALL - PAUL MUDDIMAN

Hello,

Firstly a massive Happy Mother's Day to all our Mums, step-mums, grandmothers around the Langwarrin community! Please head into our rooms and take advantage of some wonderful grazing boxes from our good friends from the Corner Pantry!

What a huge first couple of rounds of footy. Round one we were bathed in sunshine and then the contrast of typical footy weather gave us rain and wind for Round 2. I believe that's enough cold weather footy and the sun can come back for the remaining 12 rounds please!

Let's keep the good vibes and positive footy attitudes going as we finish off grading these next 2 weeks!

Good luck to all teams from Langy and enjoy what football brings on and off the field in this wonderful community!

Looking forward to the remainder of the year in my new Exec role of Vice President of Football. This role has a focus on all things football on and off the field. I'm looking forward to seeing you around Lloyd Park and feel free to come up and say hi and introduce yourself if I haven't already had the pleasure in meeting you!

Cheers Muddi

Get to know...

Khan Haretuku

Khan is the coach of U10 Boys Kangas and the reigning non competitive Coach of the Year.

Congratulations on being named Coach of the Year (non competitive) last year. You're back again coaching for Season 2026, what are you most looking forward to? Seeing the continual development of friendships among the kids and helping them to grow in skill level and confidence with their footy.

How long have you been involved at Langy JFC for? Which teams have you coached over your journey? This is my 3rd year with this group of boys and throughout that time I have seen the kids develop and grow their footy skills.

What do you enjoy most about being part of Langy JFC? The junior program is run incredibly well. The support network and how easy it is to ask questions and get an answer to just about anything that we need as coaches.

What is your history in Langwarrin? I've lived in Langwarrin for about 8 years in 2 different houses over the time.

What's your official coaching style: tactical genius, sideline yeller, or vibes-based management? I would say I coach on the feel of the group. Always trying to challenge the boys to get better, but also open to the fact that they are 8, 9 & 10 years old. Trying to find a good balance of driving an "improvement" culture while looking to have fun.

Finally, if you could have one lesson that the players you've coached take away from their time with you, what would it be?

Respect.

-For the game

-For the opposition

-For yours/your parents/your coaches time and effort

Respect is a massive value that I myself live by with my football. If I could give the boys one lesson, it's respect.

Favourite AFL team? Swans

Favourite AFL player current day / all time? Nat Fyfe

If you could scrap a rule for the AFL, what would it be? Or what would you add? Drawn grand final/Play extra time

Who would you love to see as AFL GF entertainment? Carl Barron

If you could live the life of a TV or movie character, who would it be and why? Tony Stark.

What do you do when you're not coaching? Family time

If you could only eat one food for 24 hours, what would it be? Spaghetti bolognaise

You're given a free return ticket to fly somewhere for a holiday, where are you going? Spain

If you could be a fly on a wall for one day, what wall would it be? Doomsday room, Washington DC
