Round 5, May 2025

Langwarrin Junior Football Club

From the Prez - Brad McNeilage

Wow, how quickly has the first 4 rounds flown by. With grading rounds now complete, we wish all sides the very best for the remainder of the season.

It is a timely reminder to please display and encourage respect for all our fellow players, team officials, club volunteers and all home and visiting spectators. Unfortunately, this has clearly not been the case to date. Let's all please remember why we are all here, to support and safeguard our kids, big or small. Let's ensure they have the best experience possible whilst playing the game we all love.

Thanks in advance to everyone for your continued support.

Round 5, May 2025

Round 5 - Recognising Reconciliation

Round 5 is Reconciliation Round occurring during National Reconciliation Week 2025. LJFC recognises this as an opportunity to celebrate Indigenous culture through our community & sport.

Reconciliation is about strengthening relationships between Aboriginal and Torres Strait Islander peoples and non-Indigenous peoples, for the benefit of all Australians. The theme for Reconciliation Week 2025 is "Bridging Now to Next" A time for growth, reflection, and a commitment to walking together.

To participate in National Reconciliation Week 2025, on game day:

- Some teams will be wearing our Indigenous jumpers designed for the club by local Aboriginal artist Kaitlyn Boyer.
- Teams will also be awarding a player The Marram award, generously sponsored by The Baan Group.

Marram is kangaroo in Taungurung language and represents the Langwarrin football club mascot.

At its heart Reconciliation is about respect, inclusion, equity & equality. The player who will receive this award will be recognised for demonstrating these values on and off the field.

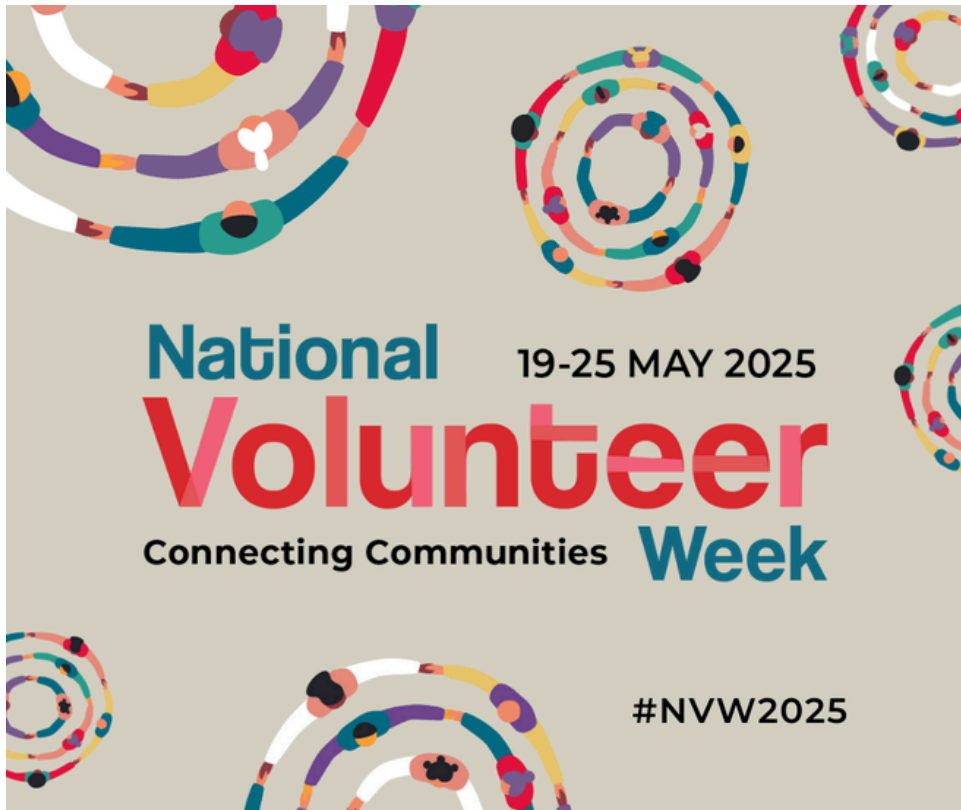

LJFC acknowledges and respect the Bunarong people of the Kulin Nation as the traditional custodians of the land on which we live & play.

Round 5, May 2025

Get to Know - Kate Smith

Kate is the Club Secretary at Langwarrin Junior Football Club

When did your time at Langy JFC begin? 2018 when our eldest son, Levi started U9s for the U9 Joeys.

How long have you been volunteering for the club and in which roles? Since 2018, I jumped straight into Team Manager and joined the Committee a couple of years later. I team managed for 5 years. Team Manager Coordinator for 3 years, and Club Secretary first year this year.

What keeps you motivated to keep being involved? Love being a part of the community, and its my way of keeping involved with my boys and their sport.

What do you enjoy most about being involved with the Club? Being a part of the LJFC community I have met some amazing, like minded people who love a good spreadsheet, have a laugh, vent our stresses to and show support in so many ways. We are a massive club and It's a privilege to be involved in helping kids take the field and enjoy what they love, playing footy!

What is your history in Langwarrin? Did you grow up and go to school here? I grew up in Seaford and Frankston area, so pretty close by, we haven't ventured too far. Moved to Leafy Langy about 11 years ago and we love it.

What sport did you grow up playing and do you still play? I grew up playing netball. I have stopped and started playing since having kids. With our busy kids sport schedule, not a heap of time for my own :p

Favourite AFL team? Richmond Tigers

Favourite AFL player current day / all time? Richo. Ive also always had a soft spot for Jonathon Brown.

If you could live the life of a TV or movie character, who would it be and why? Any character from Friends! I feel like I am living their lives already... a little OCD like Monica, a little crazy like Phoebe and a little ditsy like Rachel.

What do you do when you're not at Langy JFC? Contract Admin for a local builder.

Last concert you went to? Coldplay. Absolutely Loved it!

If you could only eat one food for 24 hours, what would it be? Roast potatoes

Pineapple on a pizza – yay or nay? YAY

Do you have a recommendation to share? Restaurant – I love Doppio Zero at the cool stores. I am a little addicted to the game 'Block Blast' and frustratingly I'm not getting any better at it.

You're given a free return ticket to fly somewhere for a holiday, where are you going? Fiji

What's your coffee order (note for us all if we see you on a Sunday morning)? Soy Latte, 1 sugar.

Housekeeping

Please refrain from smoking or vaping when in the vicinity of the Lloyd Park ovals

Recently we've noticed some speedy driving around the Lloyd Park precinct, both on the driveway areas and in the parking zones. Please remember it is a heavily frequented area by pedestrians from all activities so please slow down when making your way through the area.

Play your role in safeguarding our children

Wellbeing sub-committee

At Langwarrin Junior Football Club, we hold the wellbeing of our kids and community in the highest importance. We are wanting to expand this space and are looking for interested people to join the Wellbeing subcommittee. This committee is for people who are interested in supporting the development of wellbeing, positive mental health, equity and inclusion through events and programs for players.

If this sounds like something you'd like to be part of, please contact Nicola at wellbeing@langyjfc.com
