Round 7 - June 2025

Langwarrin Junior Football Club

From the VP - Wes Porter

Burr Winter is here, that was the coldest long weekend we've had for quite a while. And while some of you may have got away for the weekend to Ballarat or maybe Bali, we were fortunate enough to have many participants that had the honour representing FDJFL in Interleague. We had some fantastic results and outstanding achievements, congratulations to all.

I can't believe how quick the season is going. This week is the Big Freeze FightMND week so it seems rather fitting to leave you with a Neale Daniher quote:

"No matter the odds, no matter the diagnosis, we all have the power to choose to fight, to choose our attitude, to choose to smile, and to choose to do something."

Go Langy!

Round 7 - June 2025

Get to Know - Paul Muddiman

Which team are you coaching in 2025? Under 9 Blue

Who is the funniest player on your team? The D'Sylva Twins- Double the trouble double the laughs

How long have you been involved at Langy JFC and in what capacity?

Started with Auskick in 2021. Moved to coach U8s with my eldest boy Max in 2022. Then swapped back to U8s with my youngest Finn in 2024. This is my 3rd year on the committee and this year I'm helping out with coach coordinating the U8s & U9s.

What do you enjoy most about coaching? Helping develop the joy for the game, seeing the enjoyment as a group when someone kicks a goal or does something special or exciting and introducing the team aspect to the young group.

What do you find most challenging about coaching? Keeping the young kids interested and engaged, balancing fun and skills.

What has surprised you about the players you've coached over the years? Anyone that have started quietly or slower and shone through etc? Hard to say as I've only coached non competitive teams. I've been most impressed when I have been lucky enough to have a few girls play in the mixed comps and really take it to up to the boys!

What is your history in Langwarrin? Moved to Langy 14 years ago. Grew up and played at Hastings, currently still trying to play over 35's at Frankston Tigersharks.

If you could have one lesson that the players you've coached take away from their time with you, what would it be? 4 F's - Fun, Friends, Family, Flags (when out of non competitive.)

Footy is not a given or a right, you need to work hard as the game can be taken away from you very quickly. Enjoy every moment of it as there are plenty of people who would love to do what we do, but don't have the chance.

What's your official coaching style: tactical genius, sideline yeller, or vibes-based management?

Fairly relaxed, magnet ninja when it comes to rotations. Non competitive brings a sense of composure with no official score board- it may change when 4 points are on the line.

Favourite AFL team? St Kilda

Favourite AFL player current day / all time? Tony Lockett

If you could live the life of a TV or movie character, who would it be and why? Ironman- Rich, Smart, Superhero

What do you do when you're not coaching? Carpenter

Last concert you went to? The Offspring

If you could only eat one food for 24 hours, what would it be? Pasta, so many options

Pineapple on a pizza – yay or nay? Yay

Do you have a recommendation to share with the team (a good book, restaurant, phone app, TV show etc?) Have really enjoyed the Power series on Stan

You're given a free return ticket to fly somewhere for a holiday, where are you going? Anywhere warm with good golf courses (and swim up bar at the resort)

Coffee order? Long black extra shot
