Round 9 - June 2025

## Langwarrin Junior Football Club

### *From the VP - Wes Porter*

This Sunday at 9 o'clock I'd like you all to do me a favour. I would like you all to jump in the air and clap your hands, we are going to reset the universe, This might sound a little bit out there, but we need to get the balance coming back to Langwarrin.

So when we hit the field this week, we're going to play the Langwarrin way. We're going to play with pride, we're going to play with passion, we're going to play with our mates and enjoy every moment of it.

For all the parents, supporters and grandparents, I want you to cheer hard and support all of our Langwarrin teams and our officials because we all love this game and it doesn't happen without the officials and volunteers.

Go Langy!

**THE NEXT  
GENERATION:  
STRENGTH,  
VISION &  
LEGACY**  
6-13 JULY 2025

**Ancestral Lines by Jeremy Morgan Worrall**

This artwork is a visual representation of the generational lines that carry through my mob. When I think of the next generation, I think towards my ancestors—Lucy Wright, Enoch Wright, Nonie Wright—through to my Nanna Audrie and my Mother Vanessa. Looking back gives me the strength and vision to look forward. Each figure in the painting is tied to family lines, like songlines, reflecting what they knew and what they passed on. The first represents lore, hunting, and tracking. The second reflects care, weaving, and love. The third shows the two combined, while the final two carry unfinished elements—symbols of knowledge and care in motion. Above them sits the essence of Country—swirling skies and a giant moon over Emmaville. It is by the fire, under these cool skies, where the next generation finds their strength, vision, and legacy.
